Read the following:-

G.O. No. Mis. 265 Rev., dated 11-2-1933.

as Tahsildars in the regular line, the Collector recommends that an officer of the grade of Deputy Tahsildar may be posted to supervise the special survey staff. In view of the fact that an officer acquainted with the district will be in a better position to supervise the supplemental survey work than an outsider, the Board accepts the Collector's proposal and begs to propose that though the post sanctioned in G.O. Mis. 265 Rev., dated 11-2-1933 is a Special Inspecting Tahsildar on Rs.200-10-300, Government may be pleased to permit the filling up of the post by an Inspecting Deputy Tahsildar on Rs.150-5-200.

2. The Collector has also recommended that M.R.Ry Keshva Kudva, Taluk Head Accountant, Kasargod may be appointed as the special Inspecting Deputy Tahsildar after undergoing a month's training in angular survey under the Inspecting Tahsildar, South Kanara and he has in anticipation of sanction already deputed Mr.Kudva for the training, as it is of the utmost importance that the supplemental survey work should be started very early, the Board considers that for reasons stated in its Reference F. 463/33-1, dated 7th February 1933, a training in angular survey is necessary for the officer appointed to the post and accordingly recommends that Mr. Kudva may be given the training under the Inspecting Tahsildar of the district and that he may be considered to have entered on his special duty from the date of commencement of his training under the Inspecting Tahsildar.

continuous service of one year and 8½ months up to 31-1-1933 and is reported to be likely to be reappointed in about two months. He will not therefore be adversely affected by the appointment of Mr. Kudva as Special Deputy Tahsildar. As regards Mr. Abdul Gafoor Saheb, it cannot be said with certainty, from the information available in the Board's Office, that he will not be affected by the appointment of Mr. Kudva. However, in view of the Collector's assurance that Mr. Kudva is the most suitable man for the work and in consideration of the necessity to carry out the work as expeditiously as possible, the Board submits that in the interests of administrative convenience, he may be reappointed as Deputy Tahsildar in preference to his seniors as a special case and posted to the special duty.

Abdul Gafoor will be appointed in that succession as English Head Clerk. Another Tahsildar will go on leave preparatory to retirement from 1st April 1933. The proposal to sanction a deputy tahsildar instead of a tahsildar is made with a view to enable the appointment of Mr. Kudva for the special post. He is junior to two other deputy tahsildars who have been or are likely to be reverted. In order that Mr. Kudva may continue in the special post undisturbed the Board recommends that in the interests of administrative convenience, Mr. Kudva should be re-appointed in preference to his seniors as a special
